

Amended Article 10 of the Permit and Administration Regulations for Foreign Professionals Engaging in Art Related Work

Article 10

When a foreign professional applies for a permit to undertake art related work, the ministry will inform the applicant which items to submit online as part of the application.

In accordance with the previous paragraph foreign professionals applying for a permit to undertake art related work should do so online, other than when they have a valid reason for not doing so.

Foreign professionals applying in accordance with the previous two paragraphs should retain the original written copy of their application documents for a minimum of five years.
